

# 40 Days to Better Understanding

The folks at Seeds of Hope believe that authentic work towards healing hunger comes from an inner strength, and that inner strength comes from spiritual disciplines. We also believe that a concerted effort, even by a small number of people, to observe a time of prayer together and perhaps fasting (come on; we dare you!) can make a huge difference in how we all face the problems of hunger and poverty. This forty-day calendar is designed to help you prepare spiritually for the work ahead of us. We challenge you to use the scriptures and suggestions on these two pages to make these forty days a holy season.
