

Attention Women AND Men!!!

The lazy days of summer are fast approaching!

While you are enjoying some well deserved down time, you may realize that you want to serve and connect with people.

Care Net has a need and place for you this summer.

- We will provide the training for you to **invest** in the **future** of **women**.
- You provide the time and commitment to volunteer **4hrs/week** sharing your knowledge and love with women facing a **crisis pregnancy**.
- Women need **Christian guidance, acceptance, and love**, and you may be just the person to meet these needs.
- The male partners of our clients **ALSO** need guidance and someone to help direct them towards godly leadership.

Training classes are scheduled for June 20 & 21st.
